

Nancy Corbett

Nancy,
We've had some good times this year
and I've learned that you're just one
of the great cut-ups. Remember our
drivers training class and how we
passed the test? I do! I'll never forget
those stupid but needed little talks
about quips and especially gossip!
Maybe this summer we can raise "heck"
I hope we do and remember to be good or
be good at it!!

Love,
Jane Webster

Nancy,
It's been fun
knowing you this
year. Good luck in
the future and stay
out of trouble.
Freddie Wynn

Hi Rad
When you look at this in
years to come, you will see
this and remember me. I guess.
Best wishes and good luck in the
future.
David Fathwhite

Nancy,
I haven't seen you
much this year. But I
hope you have a nice
summer and that you
have good luck next year
Mark Gieser

Nancy,
It's been fun
having you to talk
to during lunch. You're
a great girl and I
hope will always
be friends.

Jerusa

Nancy,
I sometimes think
we're not very good
friends but I guess that's
both my fault and yours.
I have enjoyed though
being in your classes.
Best of luck -
Rad

Nancy,
I've enjoyed
you very much.
Love,
Jane Webster

Nancy,

Getting to know you this year was fun. I doubt you'll be in any of my classes ^{next year} but I'll see you in the halls. Just because you'll be a senior next year doesn't mean you can't speak. O.K? Lots of luck in the future.

In God's Love,
Carolyn Robertson

Hi Nancy,

Some people write
up different
good things
and I'm not
But some
write down

AUTUMN

There is something in the autumn
that is native to my blood—
Touch of manner, hint of mood;
and my heart is like a rhyme,
With the yellow and the purple
and the crimson keeping time.

Eastern Eagles Advance to State Playoffs

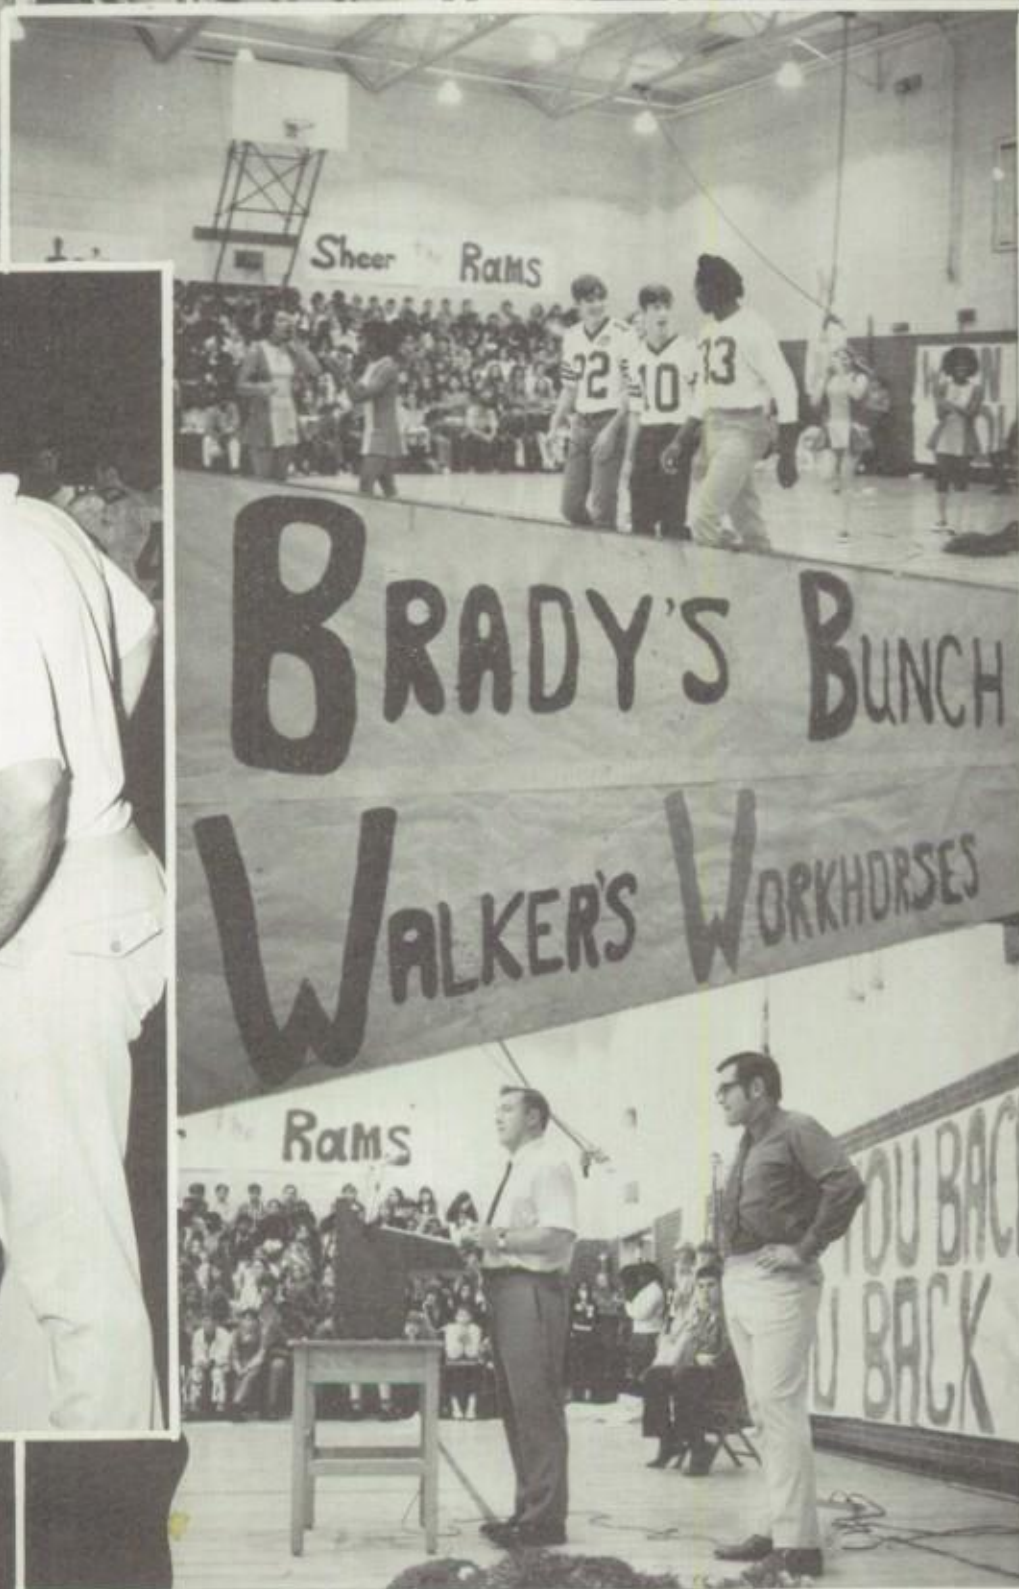

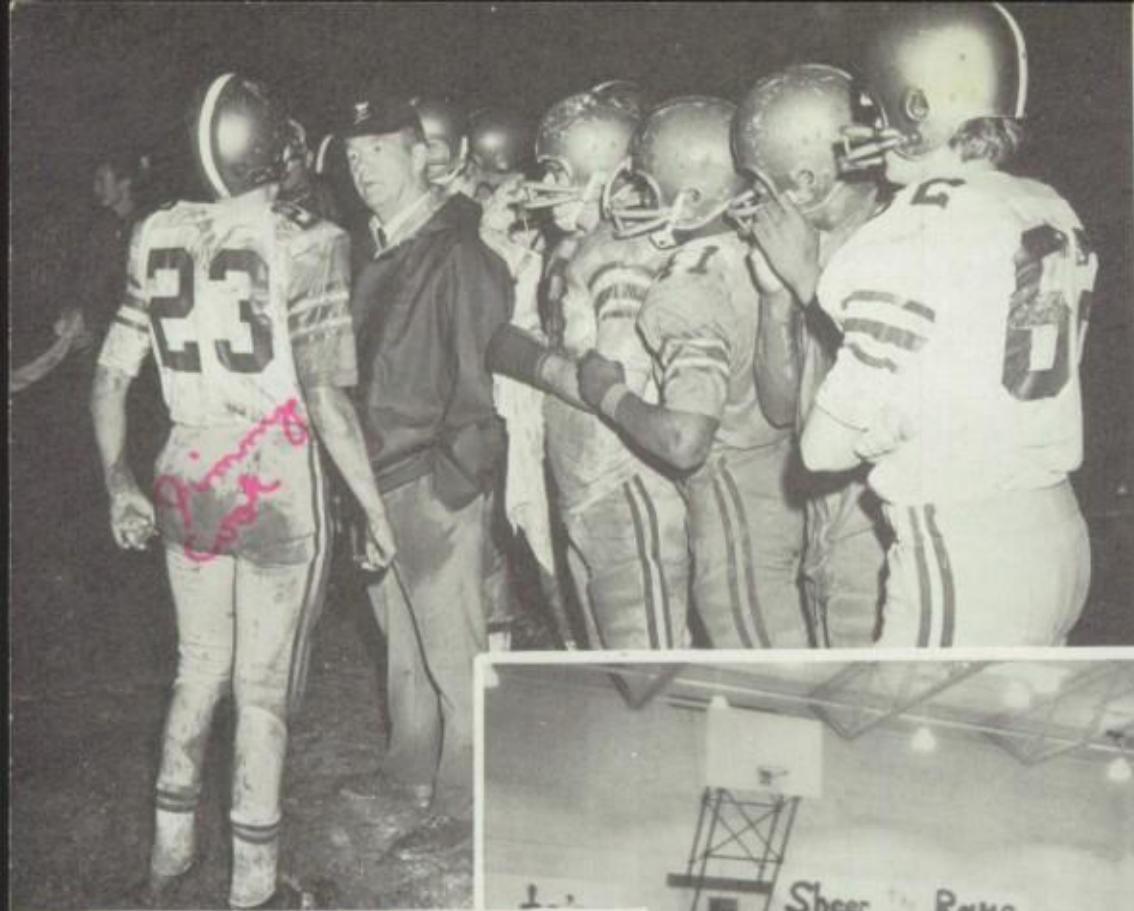

Happiness is having a big brother who is an Eagle.

Fall 1971 . . . Football! The Eagles were back with a young team, but they were flying high. A rebuilding year for the Green Machine began with a loss to West Forsyth. Yet, the Eagle spirit persisted and they soared back to a close victory over favored Southeast. At Ragsdale, Bartlett-Yancey, Southern, and Western, Eastern triumphed. It was a winning season, but Northeast was having a successful season, also. The big game — Eagles vs. Rams — both undefeated. The Eagles couldn't get off the ground and Northeast won. However, the Eagles weren't stopped for long. The road to Mt. Airy was tiring, but every mile was worth it for the eagle fans — excitement, tenseness, rain, and an upset handed to the Bears. A rain-soaked Homecoming resulted in a victory over Northwest. Headed for the play-offs, Eastern met its old rival — Graham. The Devils were tough, but "green and gold" strength and determination came through again. Season 8-2. Conference 7-1.

Sheltered by umbrellas, the Homecoming Queen and her Co-Maids of Honor smile estatically after the Coronation. Left to right: Ricky Moore escorting Michelle George; Luster Parker escorting Teresa Graves; and Mac Hupman escorting Lynda Ingram.

Escort Mac Hupman has a hard time holding the umbrella over both girls as 1971 Queen, Sue Tripp, crowns Lynda Ingram, 1972 Homecoming Queen.

"Raindrops keep falling on my head" could easily be the theme song of the class attendants. Left to right: Jerry Burnette escorting Gwen Crisp, Sophomore class; Henry Kimber escorting Flossie Warren, Freshman class; and Jeff Ward escorting Kathy Kernodle, Junior class.

Eagles No. 2 In State

The Eagles, given sixth place by preseason prognosticators, moved up to the play-offs. Regularly dubbed the "underdogs," the "Green Machine" persisted. On the first game of the play-offs, the Eagles got off to a slow start against Northwest Cabarrus, but rallied to show the fans an exciting 26-17 victory.

Highly favored Northern Durham loomed as the next obstacle. Again the Brady-Walker aggregation outscored the opponents. The Northern Knights were plainly out played.

Then came the Western Division of the State finals. The "underdogs" faced the mighty Pisgah Bears. The Eagles lost to a superb team. This was a season to remember!

In a very important game, Rod Gordon shows good running ability.

Students Participate in Fund Raising Projects

In the fall of '71 Eastern students used both old and new ideas to raise funds. They worked hard on the magazine sale and Brunswick stew and got a great response.

The band sponsored a spaghetti dinner and the Keyettes sold ham biscuits for a club project. Both proved to be worthwhile.

Eastern Cagers Suffer Disappointing Season

Thomas Kimber ignores an opponent's efforts to block his shot.

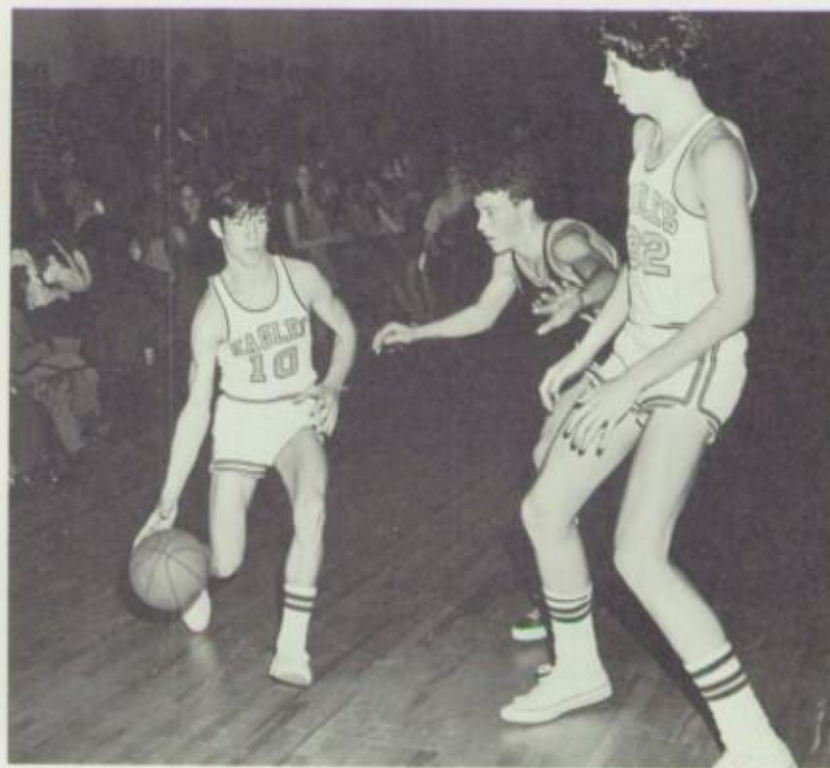

Eastern's reserves await their turn to enter the game.

Coach Clayton ponders over which strategy to use next.

The statistics look bad—four wins, sixteen losses. Our basketball team was soundly defeated in the city-county tournament and did not qualify for the conference play-offs.

Excuses were in order, but none came from Coach Clayton and his hard-working cagers. They could have pointed to an inexperienced team with several sophomores in the starting line up. They could have stressed the fine first-three quarters of many games and the close scores of others. The coach and team never gave up. Our young squad will no doubt find themselves in next year's victory column.

J.V.'s Gain Valuable Experience

Earl Tinnin breaks free for an easy lay-up.

Entering the season, the junior Eagles were confident of attaining a successful record. The team consisted of much new talent along with some old hands. Dreams were later shattered and efforts thwarted as the Easterners went up against rugged adversaries only to come out often on the short end of the score. J.V. Eagles netted a conference record of seven wins to nine losses, placing Eastern sixth in the conference. During the first round of the tournament, Eastern lost to Northwest by the score of 45 to 52. Though disappointed, Coach Harper and the players felt that valuable experience was gained which would prove beneficial to the varsity next year.

Eaglettes Have Good Season

Carol Dixon goes for an easy lay-up over Graham opponent.

Cindi Wood capitalizes on a fast break.

Sheryl Stout concentrates on basket as she shoots over opponent.

Seven wins, eleven losses — 7th place. It doesn't sound like much of a season, but it was the result of a lot of hard work and dedication on the part of 16 girls, 2 coaches, and 2 managers. Daily trips to South Elementary for practice, suicides, laps, and rounding up rides to the games all combined Eastern's first contribution to Mid-State 3A girls' basketball since 1966.

The team was a young one, as were its coaches. The players were optimistic, however, and always willing to learn. Experience was the missing ingredient, but this season provided enough to make next year a better one for the Eaglettes.

Deanne Smith chalks up two more as Eastern moves ahead to victory.

The Eagles look forward to a sensational season next year with much young talent coming up.

Baseball Requires Teamwork

In keeping with the Eagle tradition, the baseball team drove home an exciting season of sports action. With fourteen players returning from last year, six new members rounded out the 20-man team. The season offered each member of the team a unique individual challenge; however, teamwork was also a very important factor. Determination and Anticipation Accomplish Great Power and Speed

During the 1972 season, track, a popular spring sport at Eastern, continued to attract many capable athletes. Among the group were eight returning lettermen. All the boys worked hard — exercising, jumping, running, and throwing the shot and discus in order to have a successful record and to defend the 1971 City-County Championship. Throughout the season, the team not only represented Eastern as a tough, athletic competitor, but as a splendid example of good sportsmanship and teamwork. The Key Club is a service organization which is sponsored by the Haw River and Mebane Kiwanis Clubs. The Key Club and Keyettes carried Yuletide cheer to the patients at John B. Umstead Hospital. In March the District Key Club Convention was held in Winston-Salem. Eastern's club was represented by two delegates, Marshall Stephenson and Tony Torain.

Marshall Stephenson and Tony Torain go over plans for a Key Club meeting.

Keyette Club

The Keyettes, a sister organization to the Key Club, is a service club. This year the girls have translated the word SERVICE into a ham biscuit sale to raise money for a contribution to the hospital bill of a young cancer patient. Visits to John Umstead and Cerebral Palsy Hospitals were other projects. Keyettes attend church together three times a year. Keyettes serve others and in the process have fun as they work and play together.

A serious subject invokes thoughtful expression.

Keyettes prepare a surprise party for the faculty on Valentine's Day.

Youth Council

Eastern's own TV studio with modern production equipment has transformed a need for better communication into a means of better communication in the Eastern zone this year.

Sophomore Mike White, learning last summer of available funding for projects designed to smooth de-segregation, enlisted the aid of Mr. Cecil Caison in submitting a proposed plan. The project was awarded a grant by HEW.

The undertaking, sponsored by the Youth Council of Eastern High and neighboring Woodlawn Middle School, involves students whose interests in the many facets of TV production have led them to volunteer their services.

Mr. Lester Levine and Mr. John Snead, graduate students at UNC at Chapel Hill, are supervising the technical aspects of production.

The programs focus on communication problems within the family, school, and community.

Mr. Cecil Caison

Students gain skills through the use of the T.V. equipment.

Nancy,
 It's been nice knowing you for the past
 years. You have a very nice personality.
 You are a very outgoing person. You
 are a ~~Real~~ Blue-eyed Soul Sister
 because you listen to the soul station
 on the radio. Like the Cole. It was
 fun doing labs in Advanced Biology.
 Say up the good work for next year.
 Maybe we will have classes together
 again next year. I hope you will
 remember ^{me} over the summer. Don't get
 into too much trouble.

Nancy, How are you? Boy I really enjoyed
 getting to know you this year, we really
 had some good times! These mornings
 I rode to school with you — "OK! Brother!!"
 You drive like a maniac. Anyways it was
 fun! Come to see me this summer if you're
 ever flying by! Be good.

TAKE SOME OF YOUR MONEY OUT OF THE BANK AND PUT IT IN A MATTRESS.

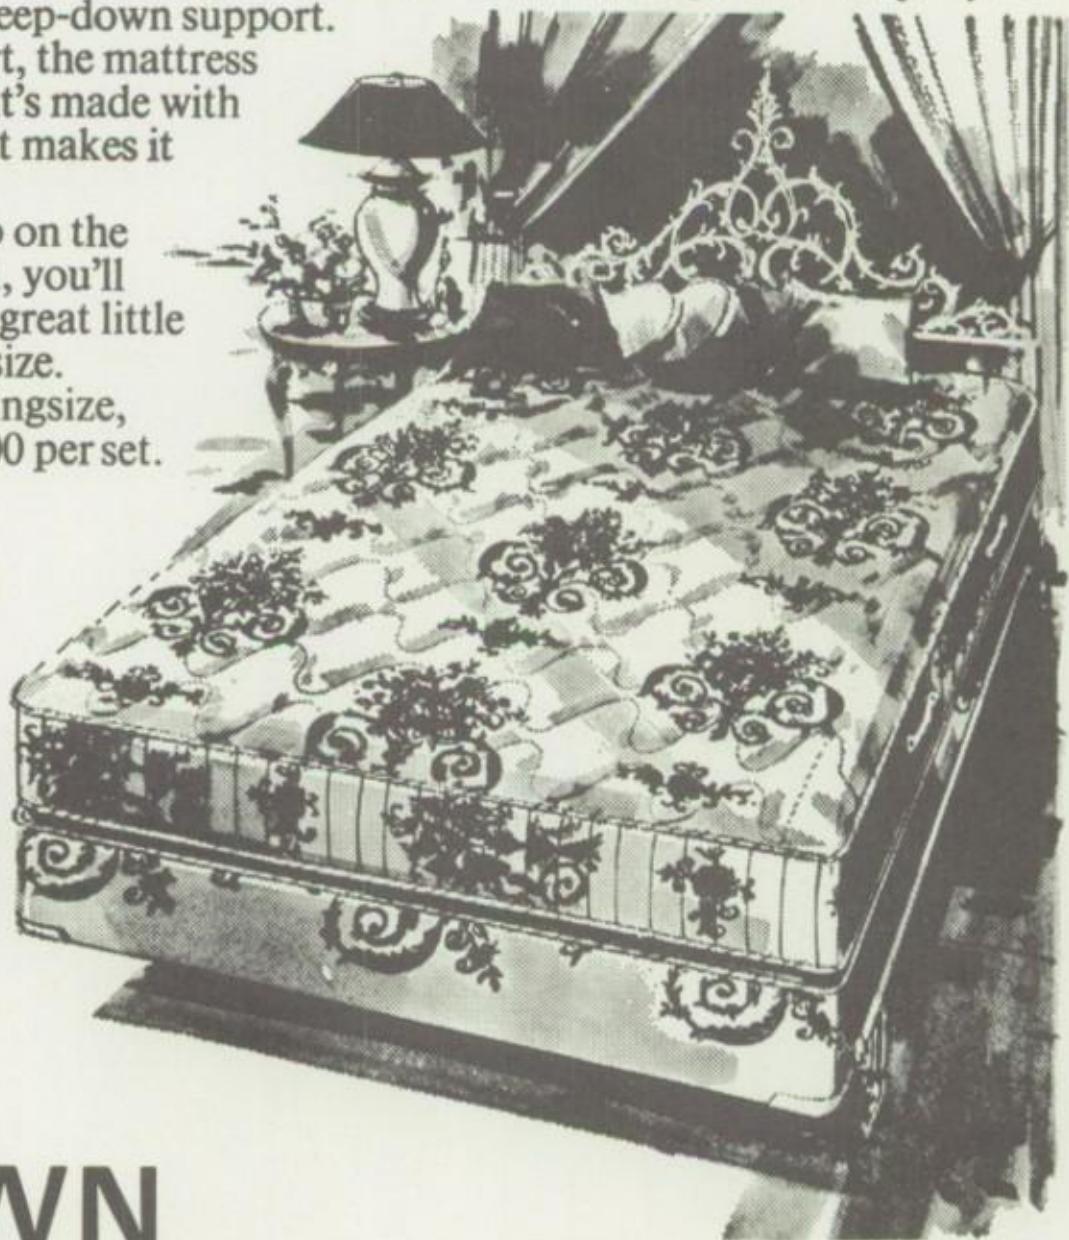

Here's one investment you won't lose any sleep over. And we guarantee that it will give you firm support for twenty years.

Now, that's some guarantee. But the new Kingsdown Crown Imperial is some mattress. It has layer after layer of foam that provides gentle comfort right next to you, while special steel coils give you deep-down support.

But with all that support, the mattress is extremely lightweight, because it's made with synthetic filling material. And that makes it completely allergy free.

The first night you sleep on the new and different Crown Imperial, you'll know you've put your money in a great little mattress. Or a kingsize. Or queensize. Standard Size, \$99.50 per unit. Kingsize, \$399.00 per set. Queensize, \$269.00 per set.
